

Accessibility Policy

The Minnesota Office of Higher Education (OHE) recognizes the importance of making its digital government services available to the largest possible audience and have attempted to design the portal to be accessible by everyone. This portal was coded to comply with both the Americans With Disabilities Act and the Priority 1 Level Checkpoints of the World Wide Web Consortium (W3C) Web Content Accessibility Guidelines 1.0. Users who wish to view these specifications can do so at: [Web Content Accessibility Guidelines 1.0](#).

Along with Priority 1 compliance, efforts have been made to ensure compatibility with common technologies utilized by the adaptive community. This site has been tested for compliance with screen magnification software, screen-reading software, and text-only browsers.

OHE will continue to test future releases of this portal and remains committed to maintaining its compliance and serving the widest possible audience for Minnesota's digital government services.
